SERVICE BULLETIN – 01/NOVEMBER 2010

SPN 405-605 NEW WATER TUBE & FITTINGS

Starting from the following Serial Numbers:

SPN 405 s/n ZC 2108

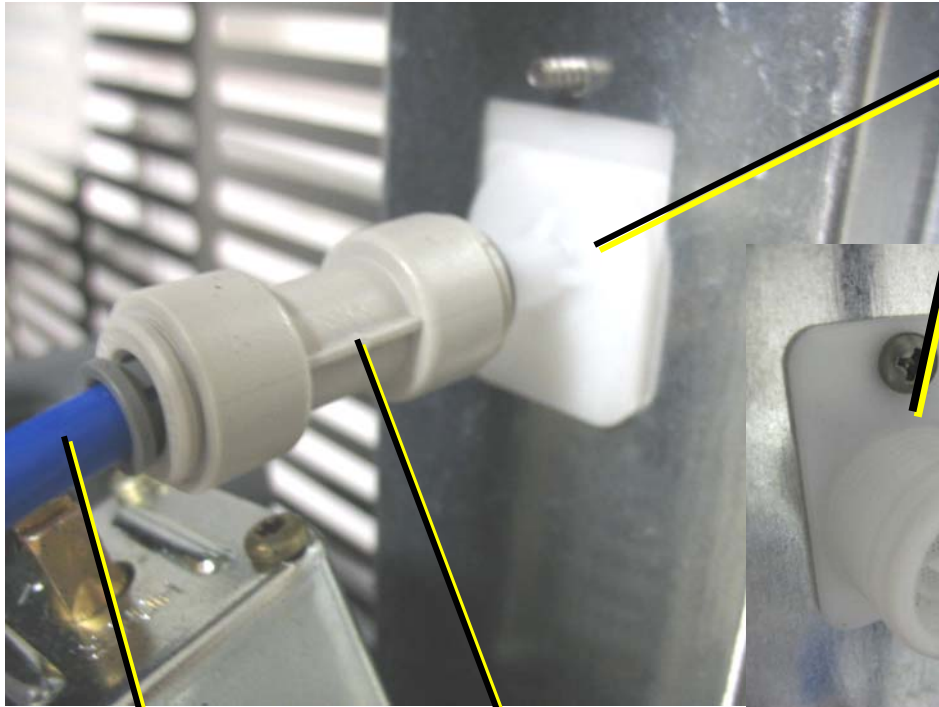

SPN 605 s/n ZD 2070

As done on past year with the Models SPN 125-255, the **entire water inlet /fittings** has been redesigned moving from copper tube to **John Guest** quick connections and nylon tube.

The new components are available under the following part numbers:

Cod.	Description
660956 00	Water inlet plastic fitting
651206 01	¼ male fitting
651206 02	¼ OD nylon tube (sold per meter)
651224 04	¼ female – 5/16” female connector
723107 02	¼ female S.S. nozzle

as shown on the attached page.
