

## SERVICE BULLETIN – 01/JULY 2009

### SDN 20 - SCN 25 NEW EVAPORATOR THERMOSTAT PART NUMBER 620264 16

On the past weeks we have moved from RANCO to new ATEA Thermostats due to availability problems we are having with the former supplier.

The two evaporator thermostats, in the various settings/configurations, are perfectly exchangeable as they have same numbers to identify the spade contacts as shown on the here below photos:
