SERVICE BULLETIN – 01/ JUNE 2005

SPN 1205

NEW FAN MOTOR

Starting from the following Serial Number:

SPN 1205 s/n 1129

The previous Fan Motor with part number 620273 00 of 100 Watts has been replaced with a more powerful one - 130 Watts - available under Part Number **620490 00**.

This new Fan Motor is perfectly exchangeable with all the former ones (old Part Number 620273 00 and Part Number 620273 03) and will be supplied in place of them once we will run out of stock of the previous ones.
