NEW GEAR REDUCER PLASTIC DRIP TRAY

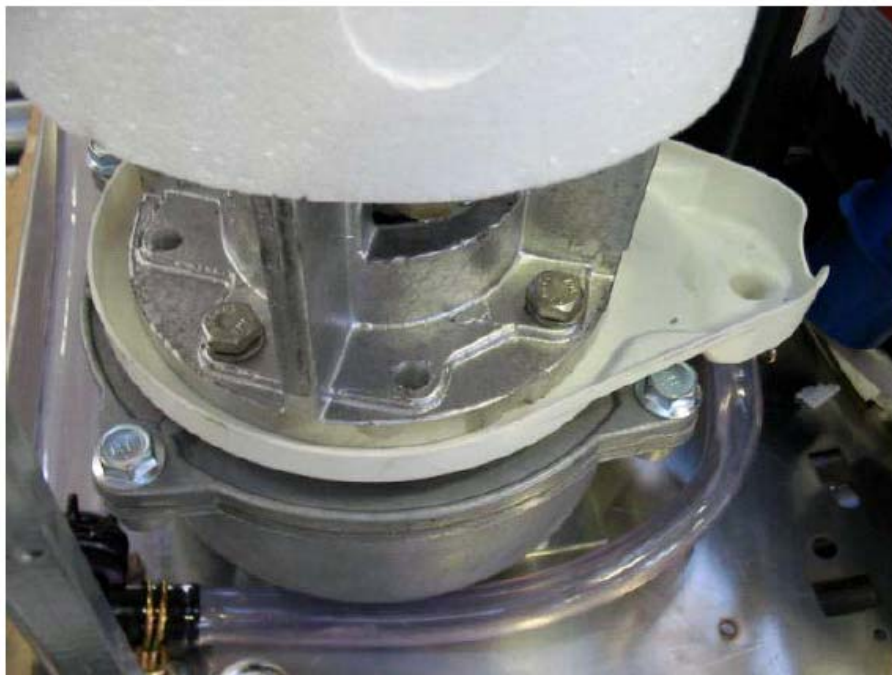

Starting from the following serial numbers:

SP 405 s/n 001781

SP 605 s/n 001744

SPN 1205 s/n 001127

The previous gear reducer metal drip tray Part Number 650686 00 has been replaced with a **new** plastic one of different shape and equipped with an overflow located below the output shaft oil seal level, as detailed on the bottom photo.

The **new** plastic drip tray is available under **Part Number 660755 00** and it is exchangeable with former one with partial modification of the plastic drain hose.

The new plastic drip tray will be supplied in place of former one as soon as we'll run out of stock.
