## SERVICE BULLETIN – 01/DECEMBER 2003

### **SP 405 - SP 605 - SPN 1205**

#### **NEW PARTIALLY REDESIGNED AUGER**

Starting from the following serial number:

SP 405	s/n	ZC 1659
SP 605	s/n	ZD 1652
SPN 1205	s/n	ZE 1111

The auger has been partially redesigned in :

- External profile ( wider upper slope portion + 1 mm )
- Length of the upper shaft ( + 4 mm )
- Diameter of the bottom shaft ( + 0,01 mm )

The new auger is available under the same PART NUMBER of the former one and it is perfectly exchangeable.
