SERVICE BULLETIN – MARCH 2003

SV 215 - SV 315

WATER DRAIN VALVE

Starting from the following serial number:

SV 215-315 s/n 000 303 01086

The Invensys Water Drain Valve has been replaced with the former/old Elbi Water Drain Valve available under P/N CM 19865525, temporarily discontinued by Elbi and now back in production.

The new Elbi Water Drain Valve is perfectly exchangeable with the former one paying attention to properly hold the water inlet hose with a screwed type metal clamp.
